pampered chef®

We believe the best moments of the day happen between bites.

Since 1980, Pampered Chef has been on a mission to bring people together over shared meals. It's how we feed our bodies, nourish our souls, and strengthen our bonds. And today, those moments together are more important than ever before.

Making a meal doesn't have to be hard. That's why we exist—to support you in the kitchen. Our long-lasting products, tips, and recipes are designed to make cooking faster and easier.

Around the world, tens of thousands of consultants help make it possible—and invite others to do the same.

With Pampered Chef, it's easier to make meals you can enjoy with your loved ones.

"Food is nourishment, but it can also bring families together. If the activity in the kitchen doesn't draw the family in, the food certainly will."
