Championship Mindset

What areas of your business made you feel like a champion this week?

What skills need improvement?

What did you do to stay positive this week & keep your head clear and focused?

Other Notes:

Personal Tracking (You choose how to use)

Tracking	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday

There are two types of thinking - positive and negative. The positive thinker is an optimistic, faith-motivated person who habitually projects positive pictures and attitudes every single day, sending positive, creative thoughts into the world. These strong thought vibrations condition the surrounding world positively as a result, a flow of positive outcomes is activated and positive achievements are manifested!" ❤ Mary Kay Ash
