Without stimulant substances, a safe and effective thermogenic!

- chromium contributes to the normal metabolism of macronutrients and the maintenance of normal blood glucose levels. It also helps **reduce your appetite for sweet foods**.
- Ceylon cinnamon's hypoglycaemic properties assist in lowering blood sugar levels, which promotes **faster burning of body fat**.
- vitamin B6 helps **control hunger** associated with peaks of anxiety and stress.
- L-Carnitine **promotes energy production** at the expense of fat utilisation. This **accelerates fat burning** even at rest and promotes better energy levels.
- Zinc is a strong natural **antioxidant** and **anti-inflammatory** that helps keep the body younger and in metabolic balance. It is also important in hormonal balance.

Weight Blocker is a food supplement in capsule form designed to limit the absorption of fats from high-calorie meals.

Chitosan, effectively binds to dietary fats in the gastrointestinal tract, preventing their absorption and aiding in weight management. Chromium contributes to maintaining proper blood glucose levels, which is essential for individuals looking to manage their sugar intake and overall health.

Both chromium and zinc play a crucial role in the proper metabolism of macronutrients, ensuring that proteins, fats, and carbohydrates are efficiently processed by the body.

Zinc also contributes to the proper metabolism of carbohydrates and protects cells against undesirable oxidation, supporting overall cellular health and function. Additionally, choline is included to support proper lipid metabolism, helping the body manage fats effectively.

Enriched with the benefits of Kelp, Chlorella, and Hyaluronic Acid..

- KELP extract can **reduce the absorption of carbohydrates and fat**, while providing micronutrients that promote the proper functioning of the immune system. It also has anti-inflammatory properties.
- chlorella is algae rich in micronutrients such as potassium, iron, calcium, magnesium and zinc; vitamins A, C, E, K1, B complex vitamins and carotenoids. It is a superfood that helps **improve performance, delays fatigue and tiredness**, reduces inflammation and swelling.
- hyaluronic acid is important for **keeping the skin young and healthy**, as it hydrates, provides more elasticity, and **reduces wrinkles**.
- an increase in Spirulina content. Spirulina **helps control hunger**, while providing a wealth of essential antioxidants to control oxidation in the body. Improves vitality and **reduces the feeling of fatigue and tiredness**.
- **collagen** was replaced by the hydrolysed version, which allows better absorption. It is an essential ingredient to preserve the good condition of the joints and the firmness of the skin.
- vitamin C, from a natural source, contributes to the normal functioning of the skin and **promotes the natural production of collagen**.

SUPPLEMENT SACHETS

Vitamin B6 which promotes the proper functioning of the nervous system and thus **reduces the need for emotional compensation/hunger**.

The chromium promotes the **reduction of cravings** (appetite for sugar).

Glucomannan is from a **natural** source. Which makes the product better tolerated, better digested and more effective in **reducing physical hunger** (fills the stomach).

RRP £110

▪ **SACHETS FOR THE DAY:** The product was enriched with Vitamin B6. Vitamin B6 helps to keep the balance in the nervous system. As a result, you feel **less "emotional" hunger** by reducing the compensation needs associated with peaks of stress or anxiety. Dosages of other components were also adjusted, such as centifolia rose extract and nettle extract, which promote greater product tolerability and **effective results**.

▪ **EVENING SACHETS:** The old capsules were replaced by sachets to dissolve in water. This concept improves the absorption and use of the product ingredients. We adjusted ingredients such as magnesium, which is important for **promoting quality sleep**. Associated with jasmine, a plant known for its calming properties. A quality sleep is essential when the goal is to **balance your metabolism**.

[CLICK HERE FOR MORE INFORMATION ABOUT ALL OF OUR GUMMIES](#)

All your actions are motivated by your needs. We live in incredibly intense times - High levels of stress, fatigue and pollution are inevitable companions of our daily lives. Add to this the difficulty in accessing natural, nutrient-rich products and the busyness of our lives and we have the ingredients to develop bad eating habits: Irregular meals, irregular sleep and a sedentary lifestyle. At Nutricode we care about you and we understand this new lifestyle. That's why we've joined forces to provide you with food supplements that will help you to regain your body's balance and normal functioning.

DRINK SUPPLEMENTS

NUTRICODE ACTIVE BURN FAT KILLER contains selected ingredients whose synergistic action helps maintain a normal body weight, supporting fat burning and removing unnecessary metabolic products from the body.

The extracts of pineapple, papaya, and caffeine present in guarana support digestive processes and the proper metabolism of fats and carbohydrates.

The active compounds contained in dandelion root (sesquiterpene lactones and phenolic acids) and milk thistle seeds (flavonoids) support the removal of excess water and unnecessary metabolic waste from the body, which has the benefit of maintaining a normal body weight.

Centella asiatica and grape antioxidants support the synthesis of collagen and elastin, which are responsible for adequate skin tone and elasticity.

Bitter orange extract (a source of potassium and soluble fibre), due to its low glycemic index, maintains the correct metabolic rate, especially of fats, complementing the action of all the supplement's components, described above.

RRP £47

DRENA Natural support for physiological diuresis.

white bean seed extract supports the removal of excess water from the body and the proper functioning of the urinary system

- Birch leaf extract supports cleansing the body of unnecessary metabolic products
- field horsetail herb extract perfectly regulates and supports the body's water balance
- orthosiphon leaf is one of the most well-known herbs in folk medicine, regulates the removal of excess water from the body
- dandelion root extract superbly supports liver and gall bladder function, positively influences digestive processes and removal of unnecessary metabolic products

METABOLISM GROUND COFFEE

Metabolism ground coffee is a specially crafted blend that is designed to help boost metabolism and support weight management goals. Made from premium quality coffee beans that are carefully selected and expertly roasted, metabolism ground coffee offers a delicious and convenient way to kickstart your day and support your overall wellness.

This unique blend of ground coffee is infused with ingredients known to promote metabolism and energy levels, such as chromium and B vitamins. These ingredients work synergistically to increase thermogenesis, enhance fat burning, and provide a sustained energy boost throughout the day.

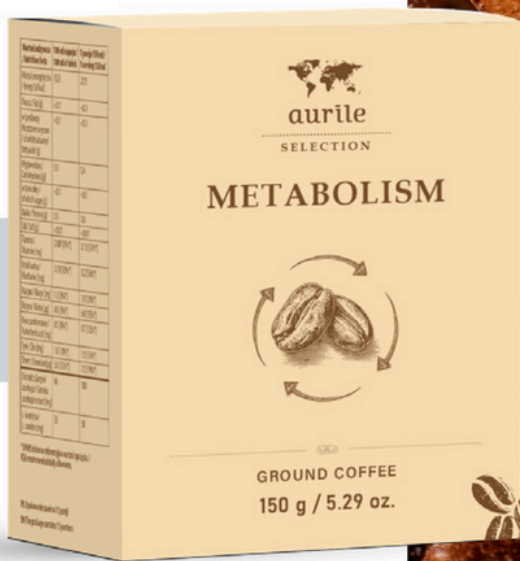

Chromium contained in the product helps maintain normal blood glucose levels and contributes to maintaining normal macronutrient metabolism

B vitamins (riboflavin, niacin, biotin and pantothenic acid) contribute to energy metabolism

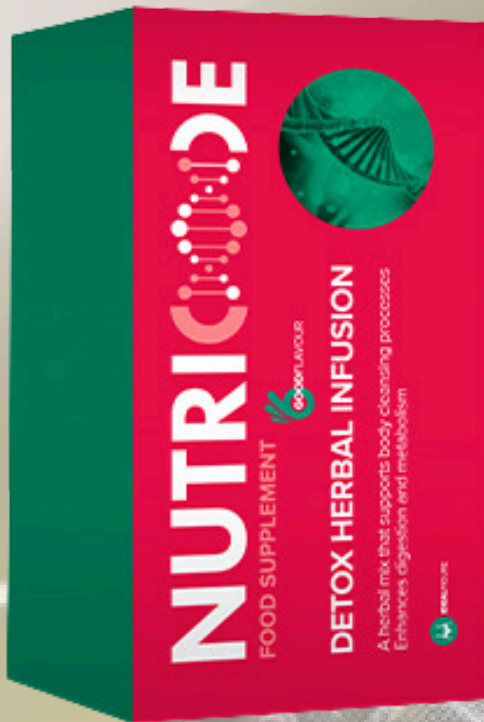

The aroma of metabolism ground coffee is rich and inviting, with hints of earthy and nutty notes that awaken the senses. As you take your first sip, you'll experience a smooth and balanced flavor profile, with a subtle bitterness that is complemented by a lingering sweetness.

Metabolism ground coffee is a convenient and effective way to incorporate metabolism-boosting ingredients into your daily routine. Whether enjoyed black or with your favorite creamer or sweetener, this coffee blend offers a delicious and satisfying way to support your health and wellness goals while enjoying a flavorful and invigorating cup of coffee.

Start your day on the right foot with metabolism ground coffee and experience the benefits of enhanced metabolism, increased energy levels, and a delicious coffee experience that supports your overall well-being.
