pampered chef®

We believe the best moments of the day happen between bites.

Since 1980, Pampered Chef has been on a mission to bring people together over shared meals. It's how we feed our bodies, nourish our souls, and strengthen our bonds. And today, those moments together are more important than ever before.

Making a meal doesn't have to be hard. That's why we exist—to support you in the kitchen. Our long-lasting products, tips, and recipes are designed to make cooking faster and easier.

Around the world, tens of thousands of consultants help make it possible—and invite others to do the same.

With Pampered Chef, it's easier to make meals you can enjoy with your loved ones.

"Over the years, food trends have evolved and mealtimes have migrated from a dining table to a kitchen island for some, but the power of sharing time together over a meal remains the same. We want to help others make the most of every opportunity to enjoy meals together."
